

ICCA Registry Questionnaire

Welcome to the Indigenous and Community Conserved Areas (ICCA) Registry Questionnaire. Information submitted via this questionnaire will be added to the ICCA Registry - a secure database maintained by UNEP-WCMC.

There are several mandatory questions (indicated by *) that help to inform key issues. Please complete a separate questionnaire for each ICCA you wish to submit to the ICCA Registry.

If the ICCA is already recognised by national legislation or a protected area system, the community should work with government representatives where possible to provide spatial and other information.

Free, Prior and Informed Consent

<p>*Completion of FPIC Form Has the community/representative of the community completed the Free Prior and Informed Consent (FPIC) Form? (Circle answer)</p>	<p>Yes No</p>
---	--------------------------------

The FPIC Information Sheet and Form can be downloaded from <http://www.iccaregistry.org/en/contribute> or requested using the contact details found at the end of this questionnaire.

Metadata Information

<p>*Data Set Title The name by which the data submitted will be known - this should be the name of the ICCA and the country it is in. <i>E.g. Il Ngwesi, Kenya</i></p>	
<p>*Responsible Party Name of the person(s) who are providing the data. Please include the community/ies or organisation(s) that the person(s) is(are) affiliated with. Please provide a contact email address. Addresses and telephone numbers can also be included.</p>	
<p>Responsible Party Category The responsible party named above is a:</p>	<p> <input type="checkbox"/> Member of the community <input type="checkbox"/> Representative / associate of the community <input type="checkbox"/> NGO (Non-Government Organisation) <input type="checkbox"/> Governmental institution <input type="checkbox"/> Other (please describe) </p>

<p>Information Source Where relevant, please indicate the source of the data being provided.</p>	<input type="checkbox"/> Personal Communication <input type="checkbox"/> Peer-reviewed literature (e.g. journals) <input type="checkbox"/> Publicly available information (including websites and books) <input type="checkbox"/> Documentation not publicly available (e.g. community management plan)
<p>Information Source Details Please specify any information sources used to provide data for this submission. <i>E.g. Title and author of book; website address</i></p>	
<p>*Date Please provide the year in which the data are being submitted. If from a previously available information source, please give the year of publication.</p>	
<p>*Dataset Language Please state the language(s) in which the data are being provided.</p>	

Description and Identification

<p>*Name Name of the ICCA in Latin characters.</p>	
<p>Original Name Name of the ICCA in original language, if applicable.</p>	
<p>*Country Three-letter code for the country in which the ICCA is located (e.g. IND for India). Please see: http://unstats.un.org/unsd/methods/m49/m49alpha.htm for a complete list of country codes, enter the code found under the 'ISO ALPHA-3 code' heading.</p>	
<p>Sub-national Location The code referring to the official subdivision, within a country, where the ICCA is found (e.g. IN-HP for Himachal Pradesh, India) If not known:</p> <ul style="list-style-type: none"> • Go to: http://docs.equest.com/eQuestCountryAndStateCodes.xls to download a spreadsheet of countries and their subdivision codes; • Open the spreadsheet; Search (Ctrl+F) for your country; • Scroll down to find the area, within that country, where your ICCA is located; • Enter the corresponding code <p>For more information on (ISO 3166-2) subdivision codes, please see http://en.wikipedia.org/wiki/ISO_3166-2.</p>	

<p>Latitude Latitude of the ICCA in decimal degrees (e.g. -77.008889). Please see www.getlatlon.com</p>	
<p>Longitude Longitude of the ICCA in decimal degrees (e.g. 38.889722). Please see www.getlatlon.com</p>	
<p>*Reported Area (km²) Total area of ICCA, including both marine and terrestrial areas (in km²). If area is in hectares, please divide by 100 to convert to square kilometres (e.g. 150 ha = 1.5km²). Please enter 'unknown' if data are unavailable.</p>	
<p>*Marine Does the ICCA contain any marine areas within its boundaries? This includes sites with even a small marine component. (Circle answer)</p>	<p style="text-align: center;">Yes No</p> <p style="text-align: center;">(If Yes ↓)</p>
	<p>Reported Marine Area (km²) Total marine protected area (in kilometres squared)</p>
<p>No-Take Area Does the ICCA have a 'no-take' area, where extraction of resources is not allowed? (Circle answer)</p>	<p style="text-align: center;">Yes No</p> <p style="text-align: center;">(If Yes ↓)</p>
	<p>No-Take Area Permanency Is the no-take area permanent or seasonal? (Circle answer)</p> <p style="text-align: center;">Permanent Seasonal</p>
	<p>Reported No-Take Area (km²) Total no-take area (in kilometres squared)</p>

<p>Habitat Types (WWF System) Please select the main habitat / ecosystem types that occur in the ICCA.</p> <p>For further guidance, please see the full WWF Global Ecoregion list: http://wwf.panda.org/about_our_earth/ecoregions/ecoregion_list/.</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Tropical & Subtropical Moist Broadleaf Forests <input type="checkbox"/> Tropical & Subtropical Dry Broadleaf Forests <input type="checkbox"/> Tropical & Subtropical Coniferous Forests <input type="checkbox"/> Temperate Coniferous Forests <input type="checkbox"/> Boreal Forests/Taiga <input type="checkbox"/> Tropical & Subtropical Grasslands, Savannas & Shrubland <input type="checkbox"/> Temperate Grasslands, Savannas & Shrublands <input type="checkbox"/> Flooded Grasslands & Savannas <input type="checkbox"/> Montane Grasslands & Shrublands <input type="checkbox"/> Tundra <input type="checkbox"/> Mediterranean Forests, Woodlands & Scrub <input type="checkbox"/> Deserts & Xeric Shrublands <input type="checkbox"/> Desert <input type="checkbox"/> Mangroves <input type="checkbox"/> Freshwater <input type="checkbox"/> Marine <input type="checkbox"/> Corals
<p>Habitat Types (Community Description) Please describe the habitat types that occur within the ICCA using a classification system / categories relevant to the local community.</p>	

Community Information

<p>Community Name Name(s) of the community/ies associated with the ICCA.</p>	
<p>Number of Communities Number of communities associated with the ICCA.</p>	
<p>Number of Households Number of households associated with the ICCA (Estimate if not known exactly)</p>	
<p>Number of People Number of people associated with the ICCA. (Estimate if not known exactly)</p>	
<p>Community Identity How does the community above identify itself?</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Indigenous <input type="checkbox"/> Minority <input type="checkbox"/> Other (please describe)

<p>Community Mobility Clarification of the mobility level of the community/ies</p>	<input type="checkbox"/> Permanent settlement <input type="checkbox"/> Mobile livelihood only <input type="checkbox"/> Seasonal mobility between settlements <input type="checkbox"/> Other (please describe)
<p>Community Mobility beyond ICCA If mobile, does the community's range extend beyond ICCA boundaries? (Circle answer)</p>	<p style="text-align: center;">Yes No</p>
<p>Resource Use Please indicate the purposes for which the community uses the resources contained within the ICCA.</p>	<input type="checkbox"/> Subsistence <input type="checkbox"/> Tourism <input type="checkbox"/> Cultural (e.g. in traditional ceremonies or medicines; as traditional housing materials) <input type="checkbox"/> Commercial value of resources (e.g. timber, fauna, minerals, fish)
<p>Resource Use - Further Details Please provide any further details regarding how the community uses the resources contained within the ICCA. If the community uses resources for a purpose not included above, please describe.</p>	
<p>Community Rights over Resources The rights of the community to use resources within the ICCA. This information will help distinguish between owners and other stakeholders and clarify the level and extent of control.</p>	<input type="checkbox"/> Full legal rights to all resources <input type="checkbox"/> De facto (full control of resources, although not in law) <input type="checkbox"/> Temporal /seasonal rights to resources <input type="checkbox"/> Rights to only certain resources/ a set amount <input type="checkbox"/> Right to commercial use of the resources <input type="checkbox"/> Protection of resources only, no take allowed <input type="checkbox"/> Other (please describe)
<p>Resource Use within the Community Who is permitted to use the resources within the ICCA community?</p>	<input type="checkbox"/> All <input type="checkbox"/> Men <input type="checkbox"/> Women <input type="checkbox"/> Elders <input type="checkbox"/> Young people <input type="checkbox"/> Other (please describe)

Objectives, Support Needed and Threats

<p>*Objectives What are the main objectives of the ICCA? Indicate those that apply in order of importance by numbering the boxes (1 = most important). Please choose only the main objectives.</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Supporting traditional livelihoods <input type="checkbox"/> Maintaining and enhancing natural resources <input type="checkbox"/> Cultural/traditional preservation <input type="checkbox"/> Spiritual/sacred sites protection <input type="checkbox"/> Biodiversity/species conservation <input type="checkbox"/> Land ownership security <input type="checkbox"/> Territorial security (control of access to land and resources) <input type="checkbox"/> Increasing rights for self-rule and empowerment <input type="checkbox"/> Other (describe below)
<p>Objectives – Further Details Please provide further details about the main objectives of the ICCA. If the ICCA has another main objective that does not appear above, please describe here.</p>	
<p>Support Needed Forms of support most needed by the ICCA Indicate those that apply in order of importance by numbering the boxes (1 = most important). Please choose only the most relevant forms of support.</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Political, cultural or social empowerment <input type="checkbox"/> Financial assistance from NGOs or governments <input type="checkbox"/> Health services <input type="checkbox"/> Education services <input type="checkbox"/> Equipment e.g. GIS software, cameras, video recorders, computers <input type="checkbox"/> Technical capacity building: IT, analytical or problem solving skills, management plan guidance <input type="checkbox"/> Infrastructure capacity building <input type="checkbox"/> Collaborative capacity building: developing partnership and commercial opportunities <input type="checkbox"/> Other (describe below)
<p>Support Needed – Further Details Please provide further details about the type of support most needed by the ICCA. If any other form of support, not listed above, is of great need, please describe here.</p>	

<p>Threats</p> <p>What are the major threats to the ICCA? Indicate those that apply in order of importance by numbering the boxes (1 = most important)</p> <p>Please choose only the most important threats</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Biodiversity decline <input type="checkbox"/> Tourism access <input type="checkbox"/> National policies <input type="checkbox"/> Other PAs overlapping <input type="checkbox"/> Development <input type="checkbox"/> Extraction (hunting, mining, logging, fishing) <input type="checkbox"/> Global climate change <input type="checkbox"/> Invasive species <input type="checkbox"/> Over-harvesting <input type="checkbox"/> Inappropriate management <input type="checkbox"/> De-legitimisation of customary rights <input type="checkbox"/> Inequities (social, economic and/or political) within the ICCA <input type="checkbox"/> Conflict with neighbouring/associated communities <input type="checkbox"/> Loss of knowledge/cultural change <input type="checkbox"/> Inappropriate forms of recognition by governmental agencies or conservation organisation <input type="checkbox"/> Undeclared ownership or tenure <input type="checkbox"/> Other (describe below)
<p>Threats – Further Details</p> <p>Please provide further details about the main threats faced by the ICCA. If there are any major threats to the ICCA that do not appear above, please describe here.</p>	

Establishment, Recognition and Management

<p>*Year of Establishment The year in which the ICCA was established</p>	
<p>Establishment The persons / process responsible for establishing the ICCA as a community / indigenous conserved area.</p>	<p> <input type="checkbox"/> Local community <input type="checkbox"/> NGO (Non-Governmental Organisation) <input type="checkbox"/> National/federal law <input type="checkbox"/> Sub-national law <input type="checkbox"/> Other (please describe) </p>
<p>Publicly Available Information Is information about the ICCA available to the general public? (Circle answer)</p>	<p style="text-align: center;">Yes No</p>
<p>Recognition How is the ICCA recognised?</p>	<p> <input type="checkbox"/> National/ federal law <input type="checkbox"/> Sub-national law (regional / provincial / municipal) <input type="checkbox"/> Other laws <input type="checkbox"/> Civil society forum / law <input type="checkbox"/> Award of merit (e.g. the Equator Initiative) <input type="checkbox"/> Commercial production / interests (e.g. tourism, contracts with businesses for the productions of crops) <input type="checkbox"/> Other (please describe) </p>
<p>Owner Name Name of the authority, agency, community, or private organisation who owns the ICCA land or resources.</p>	
<p>Ownership Type Who owns the land or resources on which the ICCA is situated?</p>	<p> <input type="checkbox"/> Public: Land belongs to all citizens, held by the national, federal, state, provincial, local or municipal government <input type="checkbox"/> Communal: Land belongs to one or more communities/indigenous groups <input type="checkbox"/> Joint or Co-ownership: Ownership by two or more entities, e.g. public and private, public and community <input type="checkbox"/> Private: Land not under public control, e.g. NGO, individuals, corporations </p>
<p>Management Authority The organisation/s, agency/ies or community/ies responsible for the management of the ICCA. Provide in English, where possible. <i>E.g. Department of Forestry; National Park Service</i></p>	
<p>Management Format How is the ICCA managed? If a written management plan document exists, please send us a copy using the email or address found at the end of this questionnaire.</p>	<p> <input type="checkbox"/> Written: Using management plan documents <input type="checkbox"/> Oral: Based on practices passed down from one generation to the next <input type="checkbox"/> Visual: According to observed changes </p>

<p>Governance Type Who is accountable for the management, decision-making and rules of the ICCA? For more information on the governance of protected areas, visit http://www.iucn.org/dbtw-wpd/edocs/PAPS-016.pdf (from p.26)</p>				
<input type="checkbox"/> Governance by government ↓	<input type="checkbox"/> Shared governance ↓	<input type="checkbox"/> Private governance ↓	<input type="checkbox"/> Governance by indigenous peoples and/or local communities ↓	<input type="checkbox"/> Other ↓
<p>Governance Sub-type Choose the appropriate sub-type of governance, below:</p>				
<input type="checkbox"/> Federal or national ministry or agency in charge <input type="checkbox"/> Sub-national ministry or agency in charge <input type="checkbox"/> Government-delegated management (e.g., to an NGO)	<input type="checkbox"/> Transboundary management <input type="checkbox"/> Collaborative management (various forms of pluralist influence) <input type="checkbox"/> Joint management (pluralist management board)	<input type="checkbox"/> Declared and run by individual landowners <input type="checkbox"/> Declared and run by non-profit organizations (e.g., NGOs, universities) <input type="checkbox"/> Declared and run by for-profit organizations (e.g., corporate owners, cooperatives)	<input type="checkbox"/> Indigenous peoples' protected areas and territories – established and run by indigenous peoples <input type="checkbox"/> Community conserved areas – declared and run by local communities	Please describe
<p>Governance Council Is a community governance council in place? (Circle answer)</p>		<p style="text-align: center;">Yes No (If Yes ↓)</p>		
		<p>Governance Council Type What type of governance council is in place?</p> <input type="checkbox"/> Indigenous governing council <input type="checkbox"/> Local community governing council <input type="checkbox"/> Elders' council <input type="checkbox"/> Women's council <input type="checkbox"/> Youth council <input type="checkbox"/> Other (please describe)		
		<p>Formation of Governance Council How is the governance council formed?</p> <input type="checkbox"/> Elected <input type="checkbox"/> Delegated <input type="checkbox"/> Inherited <input type="checkbox"/> Other (please describe)		

ICCAs as Protected Areas

<p>IUCN Definition of a Protected Area Does the ICCA conform to the IUCN definition of a protected area? (circle answer):</p> <p><i>"A protected area is a clearly defined geographical space, recognised, dedicated and managed, through legal or other effective means, to achieve the long term conservation of nature with associated ecosystem services and cultural values."</i></p>	<p>Yes No</p>
<p>*Status What is the ICCA's current legal status as a protected area? (Tick one answer)</p> <p>For any protected area a number of sequential stages can occur during its life. This field helps in identifying the legal standing of a site and following this as it changes over time.</p>	<p><input type="checkbox"/> Designated: Site has been legally declared</p> <p><input type="checkbox"/> Proposed: Site has approval on a local governmental level but is awaiting legal declaration/decre</p> <p><input type="checkbox"/> Recommended: Site has been put forward by local/international/non-governmental organisation or national agency representative for consideration as a protected area.</p>
<p>Status Year The year in which the current status of the ICCA as a protected area came into force.</p>	
<p>Designation Type Select National when providing information for nationally designated sites or International for an ICCA that is a protected area recognised under an international convention, such as UNESCO World Heritage, UNESCO Biosphere Reserve or RAMSAR. (Circle answer)</p>	<p>National International</p>
<p>Designation Type of protected area, in national language. <i>E.g. Parque Nacional; Ejido</i></p>	
<p>English Designation Type of protected area, in English, where possible. <i>E.g. National Park</i></p>	
<p>*Inclusion in WDPA Is the ICCA included in the World Database on Protected Areas (WDPA)? Please consult www.protectedplanet.net to find out whether your ICCA is listed. (Circle answer)</p>	<p>Yes No</p> <p>(If Yes ↓)</p>
	<p>WDPA ID The unique identification number for your site as displayed on www.protectedplanet.net</p>

<p>Proximity to other Protected Areas Is the ICCA located within or adjacent to another official or unofficial protected area? (Circle answer)</p>	<p style="text-align: center;">Within Adjacent Neither (If Within ↓)</p>
	<p>WDPA Parent ID The WDPA ID of the protected area within which the ICCA is located as displayed on www.protectedplanet.net</p>
<p>IUCN Protected Area Management Category Select the IUCN Protected Area Management Category that has been assigned. If one has not been assigned, choose the category that most closely matches the ICCA management. Explanations of the categories can be found at: http://www.iucn.org/about/work/programmes/pa/pa_products/wcpa_categories/. (Tick one answer)</p>	<p><input type="checkbox"/> Ia Strict Nature Reserve <input type="checkbox"/> Ib Wilderness Area <input type="checkbox"/> II National Park <input type="checkbox"/> III Natural Monument or Feature <input type="checkbox"/> IV Habitat/Species Management Area <input type="checkbox"/> V Protected Landscape/Seascape <input type="checkbox"/> VI Protected area with sustainable use of natural resources</p>

Other Information

<p>History Please give a brief history of the ICCA (Include key events and dates. Continue on a separate sheet if necessary)</p>	
<p>Biodiversity Please enter a brief description of the biodiversity and natural resources found in the ICCA. (Continue on a separate sheet if necessary)</p>	

Photos and Videos

If you have any photos, videos or other resources relating to the ICCA that you wish to be made available to the ICCA Registry, please send them by email to iccaregistry@unep-wcmc.org
Alternatively, you can provide web links to any sites featuring the above media.

Extra Information / Comments

Please use this space to provide further information you wish to share about the ICCA, or any comments you may have regarding this questionnaire.

(Continue on a separate sheet if necessary)
